

Dubai 9 Lives Adoption Application Form

Thank you for your interest in adopting a rescue! We always mediate and help to rehome cats based on an adoption contract and a house check. All our cats are given with an adoption package which includes travel passport, microchip, spaying/neutering, vaccinations (including Rabies), deworming and FIV/Felv tests.

Cat's Name: Mama and family

Age:

Known medical conditions: None

Application date:

APPLICANT DETAILS / PERSONAL INFORMATION

Name, Surname:

Address:

Postal Code:

Telephone/Mobile:

Email:

Date of Birth:

Occupation:

Approximate working hours:

HOUSEHOLD RESIDENTS / HOME INFORMATION

Number of People in Household:

Number and Ages of children:
(If children are in the household)

Do live in a house/flat?

Are you looking for an indoor only cat? Or outside also – if outside do you live in a safe area with a garden?

Do you own the property or rent?

If you are renting, does the landlord/lady permit animals in the property?

Have you ever had a pet before?

It can take few weeks for a cat to settle to new home. Are you willing to be patient?

Do you have other animals at your home now?

What kind of animals and how old?

Are they sterilized?

Who would mainly take care of the cat?

ENVIRONMENT

Do you have a garden a garden, yard, or a balcony?

If so, can it be secured?

If the property is secured – are all entry points secure?

Type of boundary? (i.e., fence, wall etc) and height of boundary.

Do you live near a busy or quiet road?

Do you agree that the cat is indoor only?

CARE OF YOUR NEW PET / OTHER PETS

Do you have experience with cats?

What pets have you had previously & what happened to them?

Why are you looking to adopt a cat?

Have you ever applied to adopt an animal (local or abroad) and what was the outcome?

Have you ever had to give up an animal?

If so, why?

What would be a reason for you to euthanize a cat?

Who will take care of the cat when you are sick or on vacation?

Will you be able to have your cat taken care of by a veterinarian if it becomes ill or has an accident?

Are you aware if there is a vet nearby and if so, how far away (approx.)?

When you go on holiday, who will look after your cat?

Are there any family members who are allergic to pet hair?

Which room/s would the cat not be allowed to go in?

GENERAL INFORMATION / TERMS

We will continue to be in touch with you and may carry out a visit to the new home after the cat is placed as a follow up check.

If there are any changes in your contact details and/or address, we request that you please keep us updated.

Please note that we reserve the right to remove the cat from your care if your circumstances have changed to the degree that they no longer meet our rehoming criteria and, as such, would fail any future follow up home checks.

Do you understand and agree?

HEALTH CHECK

Bubba is:

- Fully vaccinated
- Rabies vaccinated
- Microchipped
- Flea and worm treatment
- Neutered
- Passport issued

An adoption fee of 450dh is welcome as a contribution toward the cost of these treatments.

REHOMING

The rescue **must** be informed at any time of a change in circumstances and the cat returned to one of our volunteers where required.

Our cat **must never** be handed over to any other local Rescue and/or be sold and/or be given to another owner without our consent.

We always offer support and accept the return of our cats and will endeavour to rehome them accordingly.

Do you understand and agree?

CHANGE OF CONTACT DETAILS

In the occasion that your contact details as those have been stated on this application form have changed or intend to change, you **must** keep us informed and send us the information of your new contact details (telephone number and address) the soonest.
